CYNTHIA VARELAS
805-865-6232 | cvarelas1107@gmail.com **|** [GitHub](#) | [LinkedIn](#)

SUMMARY
Web developer, linguist, and educator, with a focus on analytics, language structure and training. Seeking position that will combine software development know-how with critical thinking, problem solving and communication experience.

TECHNICAL SKILLS
- **Proficient**: JavaScript, HTML5, CSS, jQuery
- **Knowledgeable:** React, Express, Git, Heroku, PostgreSQL, Netlify

PROJECTS
Fitness Trackr | *Fullstack Developer |*[GitHub](#) | [Netlify](#) | June 2021
- *A lone wolf project, starting with a backend server taking approximately two weeks and then a stylish frontend made to be completely user friendly*
- *Implemented new features to allow a new or current user to create a routine and add multiple different workouts to those routines with the ability to make them public if they chose too.*
- *Technologies used: React, JavaScript, HTML, CSS, BootStrap, Node.js, PostgreSQL,*

Stranger Things | *Front-end Developer* | [GitHub](#) | [Netlify](#) | Apr 2021
- *Fullstack mock Craigslist application, solely developed with the purpose to sell a user's items.*
- *Added login features to allow a new or current user to post items that wish to be sold. Users are also able to post publicly, update or delete their posts including responding to other users.*
- *Technologies used: JavaScript, HTML, CSS, BootStrap*

EXPERIENCE
Special Education Paraeducator
Lompoc Unified School District | June 2021 - Current
Maxim Healthcare | Oct 2020 - May 2021
- Work in a 1:1 and group setting to support teachers by preparing and assigning lectures to students remotely and in-person
- Successfully manage a classroom of 10 students with guidance through difficult assignments and software programs
- Successfully collect data recording behavior analysis of an individual student in order to make recommendations for education goals.

General Technician
City of Lompoc | Jun 2020 - Jul 2020
- Performed data entry and collected information for Community and Development Department that was then used to direct low-income families to financial support services
- Answered and responded to telephone and email inquiries, as well as escalated questions when needed.
- Typed, formatted, and edited routine memos and other reports in order to keep information up to date and accurate.
